

Parents,

Please detach the notice below and return it to your child's teacher if your child has a sensitivity to wipes. In our school, the wipes you contribute at the beginning of the year are kept in a classroom supply. Packages of wipes are pulled from this supply as needed each day. If your child requires a specific brand of wipes, please let us know! When you supply their wipes we will be sure to label them for their specific use. You will be notified as your child's wipes supply runs low so you may send in more wipes for your child throughout the year. If your child develops an allergy or sensitivity at any time, please be sure to notify your child's teacher.

Thank you!
