

Summer Enrichment 2026 Elementary Student Contract

At First United Methodist Church Day School we strive to create an environment where children can grow and fellowship together. Our elementary program is open to students who have completed Pre-Kindergarten through those that have completed Fourth Grade. We recognize our strengths as an early childhood program and want to expand upon our strengths and gracefully recognize that we cannot service middle school students.

Students enrolled in our summer elementary program will enjoy multiple weekly field trips. These exciting field trips will include both walking trips as well as trips that require bus transportation. Parents of elementary students are asked to consider their child's ability to safely attend these field trips. When students leave campus they are expected to show respect to the places they visit, listen to their teachers, and stay with their class. This is imperative for the safety of all students and teachers. If a student cannot be respectful of property, listen and follow instructions from the teacher, and stay with their class, they will forfeit the ability to attend these field trips without a parent or guardian present. Because our elementary classes are designated by age grouping, there is no alternative class for students to join in lieu of these field trips.

We want to foster a safe environment for students to enjoy summer activities and friendship. The use of foul language and curse words is not accepted at FUMC Day School. Additionally, elementary students are expected to refrain from physically harming their peers. Students who use unacceptable language or strike, hit, kick, punch, spit, etc. will receive an initial verbal correction from the teacher with notification sent to the parent. The second time a teacher must address the behavior, a parent or guardian will be contacted for immediate pick-up. Students who are sent home three times will be dismissed from the summer program.

I, the undersigned parent or legal guardian of _____, do hereby grant my permission and consent for the said child to attend and participate in the events and activities of FUMC Day School's Summer Enrichment Program from June 9, 2026 to July 16, 2026, both on and off church grounds, including any necessary transportation to and from prearranged field trips.

Furthermore, I understand and assume the expenses of any property damage caused by my child. Should it be necessary that my child be returned home due to disciplinary action or illness I will be contacted by the Director and will pick up my child and assume the cost of transportation. If three or more behavior incidents occur I understand that my child may be asked to quit the program.

By signing below, I am acknowledging that I have read through and understand the above statements.
