- One can of Lysol spray (or similar aerosol product)
- Two containers of Clorox wipes (or similar type product)
- One box of Kleenex

EVERYTHING should have your child's name on it. Your child's name on all personal items they bring to school is emphasized so that there is no confusion with personal items, coats, etc.

We ask that tennis shoes or closed toed shoes be worn instead of sandals, flip flops, rain boots or crocs. This is a safety factor for falls and dropped toys. We will work with paints (washable) makers, outside play, etc. that requires appropriate clothing. Please keep this in mind when dressing your student for school.

If your child has sensitivity to wipes, please let us know and we will use only the brand you provide. Otherwise wipes are used communally.

Please feel free to ask if you have any questions. We want to emphasize that we play, eat, teach, and most of all have fun in a loving, Christ-centered, and nurturing environment. Thank you for allowing us to care for your "little one!"
