

2-year-old Supply List

- A large pack of diapers (child's name on the pack/box). If your child is in the process of potty training one box of **pull ups with Velcro sides.**
- A change of clothes, including socks, in a large Ziploc bag labeled with your child's name to be left at school.
- A book bag with your child's name on it (to send home artwork and school letters/information).
- If not purchasing a catered lunch, you will need to send a lunch box labeled with your child's name and an ice pack (if needed) to keep the food fresh and cool. We have limited refrigerator space.
- A sippy cup each day filled with water, milk, or juice (this will be sent back home each day) labeled with your child's name. As cups empty, we refill them with water.
- *Special snacks if your child has food allergies or special dietary needs.*
- Plastic 2-pocket prong folder labeled with your child's name.
- Six packages of baby wipes
- One bottle of Clorox Clean-Up Spray (or similar type product)
- One box of Kleenex
- Two bottles of hand soap (not hand sanitizer)
- Two boxes of 100 count latex free gloves (Your child's teacher must wear a fresh pair of gloves each time they change your child's diaper/pull up or assist them with using the restroom.)

EVERYTHING should have your child's name on it. Your child's name on all personal items they bring to school is emphasized so that there is no confusion with personal items, coats, etc. **Please do not allow children to bring toys from home.**

We ask that tennis shoes or closed toed shoes be worn instead of sandals, flip flops, rain boots or cros. This is a safety factor for falls and dropped toys. We will work with paints (washable) makers, outside play, etc. that requires appropriate clothing. Please keep this in mind when dressing your student for school.

If your child has sensitivity to wipes, please let us know and we will use only the brand you provide. Otherwise wipes are used communally.

Please feel free to ask if you have any questions. We want to emphasize that we play, eat, teach, and most of all have fun in a loving, Christ-centered, and nurturing environment. Thank you for allowing us to care for your "little one!"
